

I listen almost exclusively to K-LOVE radio which is broadcast via FM translator service in my area. I am concerned that the new rules regarding LPFM broadcast services may force K-LOVE off the air in my area. The positive impact of programming such as that provided by K-LOVE nationwide is incalculable. Personally, I find K-LOVE to be a positive and uplifting influence on my life on a daily basis. I never have to be concerned or embarrassed by what might be said on the air. As you consider the new rules, please remember that K-LOVE is listened to by hundreds of thousands of listeners every day. Many of them, myself included, consider this programming to be a vital part of our day.

Thank you,
Gary Foster
